## Software

With the **PLEXTALK Transfer Software**, you can easily transfer DAISY books, text files, audio files, playlists or network settings from your PC to your PLEXTALK Linio Pocket.

The **PLEXTALK Recording Software** is a powerful tool to edit what you have recorded on your PLEXTALK Linio Pocket and create DAISY books on your PC.

## Carry case

A protective carry case with a belt clip is included to keep your PLEXTALK Linio Pocket handy.

## All-in-one network package (Option)

The PLEXTALK Linio Pocket is provided with a wireless router. Configuring the network settings is no longer necessary. (The availability of the package will be announced by PLEXTALK.)

## External CD-ROM drive (Option)

You can directly back up your DAISY CDs from the external CD-ROM drive into your PLEXTALK Linio Pocket via USB cable.
