Learning

Do you want to...

make reading fun?

get the most out of your class?

You can with the PLEXTALK® Pocket

Read books and review recorded lectures when you want, where you want.

This convenient book reader and recorder does not only allow you to playback digital talking books or textbooks, but also to record lectures at school.

With a quick key press when recording, you can insert headers and save precious time.

The bookmark application allows you to easily navigate through the DAISY book / textbook, as you can go directly to a specific section or page you want to read.

The one-touch Record key makes recording a piece of cake. When the topic changes in class, you can quickly insert headings that make it easier for you to review what you have recorded.

Additionally, when holding the record key, you can record voice memos and review these at a later point in time.

Playback speed and tone are adjustable. This way you can customize your study session to a quick review or to fully take the time to comprehend the material.

PLEXTALK

Do you want to...

make it easier to access information?

You can with the PLEXTALK® Pocket

Listen to the web radio stations and podcasts that you are interested in.

Besides the possibility to read digital talking books, the PLEXTALK Pocket now has a wireless LAN capability, which enables you to download or stream Web Radio and Podcasts even when you are away from your computer.

With Web Radio and Podcasts at your fingertips, you can listen to your favorite news programs and music channels wherever, whenever you want.

...eader and recorder for ...ired and dyslexic.

Equipped with "Voice Memo" capability, the PLEXTALK Pocket makes it fast and easy to record voice memos of up to 1 minute, ensuring that you will never forget phone numbers and other important things.

The Sleep Timer function allows you to enjoy reading a book in bed and automatically switches off the PLEXTALK Pocket after you fall asleep. This function saves the battery power and guarantees a good night's sleep for you and your family.

After registration for web radio stations or podcast feeds or on the PLEXTALK Pocket, you can listen to news programs and music channels via your home or office network. This way, you are always up to date on any topic you like.
